

# Northfield Energy Committee

**November 19, 2019**

**Present:** NEC Members - Jane Pekol, Denise MacMartin, Gail Hall, Sarah Wolfe, Ted Fisher

The meeting was called to order at 6:35 p.m. by Chair Jane Pekol.

Minutes from the November 5, 2019 meeting were approved

**The Hitching Post:** The launch on November 16 was very successful. We were happy to see that Select Board Chair Dave Maxwell and State Representative Anne Donahue attended the Northfield portion of the event. Sarah will compile an FAQ that will address some of the questions that were raised during the launch promotion and at the event (parking, guaranteed ride home option, etc.) Ted has sent out some press releases on the launch (Northfield News and Times Argus).

**Kiosk Update:** Gail gave an update on the kiosk plans. She has continued outreach to various groups and businesses for input and support. The group reviewed another potential spot and discussed preparing for more community support. Gail will be presenting an update to the Select Board at their next meeting.

**Survey:** Twenty-two surveys have been completed so far. Sarah and Ted will continue to promote the survey until the November 30 deadline. Denise will attend the next Select Board meeting and promote the survey before Gail gives her kiosk update. Plans for the survey prize were discussed and Sarah will explore possibilities.

**VECAN Conference:** Remember to sign up for the conference which will be held on Saturday, December 7 at Lake Morey Resort.

The meeting was adjourned at 7:30.

Respectfully submitted,  
Denise MacMartin  
NEC Secretary
